

EMPIRE continues to own users within the construction trades with innovative products and user-focused technology. The expansion of ULTRAVIEW LED technology into the torpedo level category gives users a lightweight pocketable solution for everyday work in poorly lit conditions. The new line of digital levels exceeded user expectations with industry-first features like auto-calibration and inspect mode making them the easiest and most functional levels on the market. As the dominant industry leader, EMPIRE continued to upgrade core categories with the expansion of compact box levels, and long reel tapes driving high double digit sales growth in 2018 and taking significant market share.
